She serves on the Risk and Compliance Committee of Calbee Inc |

Appointed 03 July 2018

and participates actively in the Japan Association of Corporate Executives. Elizabeth is also a director of Advangen Ltd., the Japanese subsidiary of ASXlisted biotechnology firm Cellmid.

As part of her commitment to the development of the next generation of global human resources, Elizabeth acts as Senior Executive Advisor to the Pasona Group Inc., and occupies a pivotal role as Senior Managing Director of the Pasona-sponsored Awaji Youth Federation. Elizabeth was also appointed in 2015 to the Management Advisory Board of Chiba University, and acts as an advisor to its Institute for Excellence in Educational Innovation.

Prior to her relocation to Japan in 2015 Elizabeth had a long career spanning 25 years with the Australian Trade Commission, serving at key diplomatic missions as a senior trade envoy in Japan, Indonesia, Vietnam and Korea. In 2006, she was awarded the Public Service Medal (PSM) for advancing the interests of Australian business in Asian markets.

Elizabeth holds a Bachelor of Arts (Hons) from Monash University, and a Master of Literary Studies from Queensland University. She is a qualified simultaneous interpreter and translator of Japanese and has proficiency in several other Asian languages. She is also a Graduate of the Australian Institute of Company Directors.

Elizabeth is married to Japanese graphic designer Toshiaki Masamune. She enjoys ikebana, Japanese cuisine and is an ardent cat-lover.

A Graduate of the Australian Institute of Company Directors, Duncan Power has more than 30 years' experience working in the not-for-profit and social enterprise worlds in both a financial and advisory capacity.

He dedicates his life to making a dramatic social impact in Asia Pacific using the Muhammad Yunus inspired Social Business model to achieve lifechanging, sustainable outcomes.

Duncan joined British registered bank, Mercury Provident (now known as Triodos Bank) in 1989 as Chief Executive Officer, following a successful career in accountancy in New Zealand. The bank specialised in authorising loans to organisations seeking funding for projects that were not only financially viable but also delivered measurable, tangible benefits to their local communities. During Duncan's five years at the helm, Mercury Provident's balance sheet grew by more than 600%.

Duncan John Power (Director & CEO)

Appointed 03 July 2018

After five years in the role, during which time he oversaw Mercury Provident's successful merger with Triodos, Duncan was appointed by Charities Aid Foundation (CAF) in London as Manager, where he was responsible for establishing a social investment loan fund dedicated to assisting charities. Nowadays registered as a bank in its own right (Charity Bank), the fund grew quickly, following its unprecedented success in being paid back 99.5 of the very first 100 loans granted, despite being unsecured and considered as 'unbankable' deals by the wider UK banking community.

After three years in the role, Duncan yearned to relocate to the Southern Hemisphere and put forward a business development plan to establish CAF in Australia, while also obtaining the necessary matched funding for CAF in the UK to throw its backing behind the innovative venture. In the 10 years that Duncan served as CEO, CAF in Australia facilitated grant-making to not-for-profit organisations throughout Australia and Asia Pacific worth more than AU\$120 million. Annual donations facilitated in Australia amounted to nearly 1% of total Australian tax-deductible donations by 2009.

During his time with CAF, he advised several global companies in their CSR activity, encouraging them to create much greater impact in their community investment programs, while at the same time increasing corporate visibility to stakeholders, from their triple bottom-line activities.

Duncan left CAF to found Dana Asia in 2011, where he has been founding CEO and Board member. He has been a founding director of the Grameen Pilipinas micro-finance organisation and spearheaded the development of a number of social businesses in three different countries. In 2021, he completed

| | with distinction the University of Cambridge Business Sustainability Management certificate. |

| Munzurul Ahsan Khan (Director) Appointed 05 May 2020 | Munzurul Khan is the principal of Keshab Chartered Accountants and associated group. Being the Chair, Munzurul runs the practice with multi-facet services in Accounting, Legal, Mortgage, Book-Keeping, Financial Planning, Investment and Construction. Munzurul's background includes over 24 years in profession including BDO and PwC. Munzurul has over eighteen years of experience commencing with small Chartered practices of two years, then employed at BDO for six and half years as well as at PricewaterhouseCoopers for four years. Munzurul left PricewaterhouseCoopers as a senior manager to commence his own practice. Munzurul's qualifications include, both Graduation and Post-Graduation degrees from the University of New South Wales, member of the Institute of Chartered Accountants in Australia, as well as being a Justice of the Peace. |
| Caroline Laura Juricic (Director) Appointed 26 June 2020 | Caroline Juricic is a strategy and investment professional with global experience across corporates, not-for-profits and government. Her previous experience includes over six years in investment banking in London before moving into the social enterprise space in the UK, working in impact investment and charities. Since 2017 she has worked at the Australian Trade and Investment Commission (Austrade), where she now manages Strategic Investment Projects. Caroline holds a first-class degree in Mathematics and Philosophy (MMathPhil) from Oxford University and is a CFA (Chartered Financial Analyst) charter holder. |

2. Purpose and activities of Dana Asia Ltd.

The objective of Dana Asia Limited is to source funds to be given in grants for the development of projects and activities in the developing world Asia Pacific region. Dana Asia works with local communities in the most disadvantaged locations to inspire and fund the creation and scaling of viable social business and educational activity aimed at lifting people away from poverty. Through grants to education and community-led social business activity, Dana Asia aspires to improve the lives of individuals within these disadvantaged communities, providing holistic support to entire families at a community level. Dana Asia will achieve its objectives through supporting the application of Grameen-style microfinance and social business as described by Nobel Peace Laureate Professor Muhammad Yunus, and the education of entrepreneurs to ensure a generational change in livelihoods.

The Covid-19 pandemic has had a significant impact on the developing world, particularly for those communities already living in poverty. While Dana Asia's core objectives and activities have not changed in the wake of Covid, emphasis has shifted towards improving resilience and sustainability within the projects it currently supports, building capacity of local teams to implement and manage them, and creating more income generation opportunities for marginalised communities.

3. Principal Activity

Dana Asia Limited is a not-for-profit national enterprise incorporated on 03 July 2018. The principal activity of Dana Asia is to make grants to and advise upon education and social business projects, guiding local teams to implement and manage projects towards success and sustainability. Within this

is the provision of loans made by a partner microfinance organisation to families and communities living in extreme poverty so they can undertake business ventures for additional income.

With the Covid-19 pandemic in full-force towards the end of the financial year, Dana Asia took the opportunity to relook at normal activity and restrategised to ensure the emerging needs of target communities were met.

During 2021, Dana Asia made grants to local charitable organisations in order for them to undertake numerous activities, including:

- Operation and expansion of the KJC Farm poultry social business in Cambodia.
- Establishment of a number of smallholder poultry farms (outgrowers) as income-generation opportunities for rural farmers.
- Phase 1 & 2 of construction of Dana Asia's Breeder Farm which will provide a sustainable supply
 of disease-free chicks to KJC Farm and outgrower farms.
- Developed training programmes for entrepreneurs in Manila and poultry farmers in Cambodia.
- Continued development of microfinance organisation Grameen Pilipinas Microfinance Inc. and facilitated small loans to microentrepreneurs in Manila.
- Developed of a community market, urban gardens and other social business initiatives in a housing development site in the Philippines.
- Provided emergency food packages in the Covid lockdowns to marginalised communities in the Philippines and Cambodia with limited access to government aid.
- Developed a Covid recovery action plan in Manila and Siem Reap to provide livelihood skills training and encourage the setup of sustainable small businesses.
- Facilitated donor funds to charity partners to enable partners to achieve their charitable objectives.
- Funded scholarships for impoverished graduating high school students in Siem Reap to attend English language classes.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2021

NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The directors have prepared the financial statements on the basis that the company is a non-reporting entity because there are no users dependant on a general-purpose financial report. The financial statements are therefore special purpose financial statements and have been prepared in order to meet the requirements of the Corporations Act 2001, Australian Charities and Not-for-profits Commission Act 2012, the needs of the members.

The financial statements have been prepared in accordance with the significant accounting policies disclosed below, which the directors have determined are appropriate to meet the above requirements and needs of the members. Such accounting policies are consistent with the previous period unless stated otherwise.

The financial statements have been prepared on an accruals basis and are based on historical costs unless otherwise stated in the notes. The accounting policies that have been adopted in the preparation of the financial statements are as follows:

(a) Cash and Cash Equivalents

Cash and cash equivalents include cash on hand, deposits held at call with banks, other short-term highly liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities on the statement of financial position.

(b) Trade and Other Payables

These amounts represent liabilities for goods and services provided to the company prior to the end of the financial year which are unpaid. The amounts are unsecured and are usually paid within 30 days of recognition.

(c) Revenue and Other Income

Revenue is measured at the fair value of the consideration received or receivable.

Donations are recognised on receipt.

Grant revenue is recognised at the time the expenditure relating to the grant has been incurred.

Interest revenue is recognised using the effective interest rate method which, for floating rate financial assets, is the rate inherent in the instrument.

All revenue is stated net of the amount of goods and services tax (GST).

Unrealised loss on portfolio relates to the change in the currency value of the investments held in USD whereas the unrealised exchange losses relate to the change in value of the grants paid in advance.

The donor of the grant has been approached to align the grants paid in advance to that of the same currency so that the total liability of the grants paid in advance will align to the underlying investment after project costs are provided for.

(d) Goods and Services Tax (GST)

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Tax Office. In these circumstances the GST is recognised as part of the cost of acquisition of the asset or as part of an item of the expense. Receivables and payables in the statement of financial position are shown inclusive of GST.

Cash flows in the cash flow statement are included on a gross basis and the GST component of

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2021

cash flows arising from investing and financing activities which is recoverable from or payable to the taxation authority is classified as operating cash flows.

(e) Exchange rate

The exchange rate used on the balance sheet to convert USD to AUD is 1.33 in accordance with the exchange rates provided by the Reserve Bank of Australia.

DANA ASIA LIMITED ABN 44 627 282 615 INDEPENDENT AUDIT REPORT TO THE MEMBERS OF DANA ASIA LIMITED

Report on the Financial Report

We have audited the accompanying financial report, being a special purpose financial report of Dana Asia Limited, which comprises the statement of financial position as at 30 June 2021, the statement of comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, notes comprising a summary of significant accounting policies and other explanatory information and the directors' declaration.

Directors' Responsibility for the Financial Report

The directors of the company are responsible for the preparation of the financial report and have determined that the basis of preparation described in Note 1 to the financial report is appropriate to meet the requirements of the Corporations Act 2001 and is appropriate to meet the needs of the members. The directors' responsibility also includes such internal control as the directors determine is necessary to enable the preparation of a financial report that is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on the financial report based on our audit. We have conducted our audit in accordance with Australian Auditing Standards. Those standards require that we comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance whether the financial report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation of the financial report in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the directors, as well as evaluating the overall presentation of the financial report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Independence

In conducting our audit, we have complied with the independence requirements of the Corporations Act 2001. We confirm that the independence declaration required by the Corporations Act 2001, which has been given to the directors of Dana Asia Limited, would be in the same terms if given to the directors as at the time of the auditor's report.

Opinion

In our opinion, the financial report of Dana Asia Limited is in accordance with the *Corporations Act 2001*, including:

- (a) giving a true and fair view of the company's financial position as at 30 June 2021 and of its performance for the year ended on that date; and
- (b) complying with Australian Accounting Standards to the extent described in Note 1, and the *Corporations Regulations 2001*.

Basis of Accounting

Without modifying our opinion, we draw attention to Note 1 to the financial report, which describes the basis of accounting. The financial report has been prepared for the purpose of fulfilling the directors' financial reporting responsibilities under the Corporations Act 2001. As a result, the financial report may not be suitable for another purpose.
